b. Membership Renewal Campaign

Kristen reported we are tracking open rates and how many are renewing close to when ICFOV sends out an email campaign. Coming up in late April/early May Kristen would like to do a calling campaign for those who have not renewed yet. She asked for Leadership Team members to assist with calling. Sandy, Kristen, Janet and Kevin have agreed to assist with calls.

c. City Ambassadors Initiative

Kristen brought up an issue with branding, i.e. who is hosting/sponsoring the meeting. The Leadership Team discussed and brainstormed how to move forward with this program. Kristen suggested test marketing this with one event this year in specific cities in addition to planning one virtual event. It was suggested that the May membership email include information on how to volunteer with this initiative in addition to MRAC volunteer opportunities.

Janet asked for Leadership Team to brainstorm for April's meeting what the Team might look like in 2018.
