

## 'Find A Coach' Directory Form

The ICF OV 'Find A Coach' directory is intended to help those who are looking to hire a coach, as well as coaches looking for mentors or 'like-niched' coaches for networking purposes. This is a separate service from that offered by ICF Global for Credentialed Coaches. Inclusion in this directory is voluntary and a free service available to any ICF OV Chapter member, whether they are credentialed or not.

The ability to search the directory is publicly available to anyone via our ICF OV website and will be promoted through marketing at events and materials.

If you are an ICF Ohio Valley chapter member and would like to add your profile to the Find A Coach directory and consent to the public sharing of the information below, please complete this form and email it together with your best headshot to [info@icfohiovalley.org](mailto:info@icfohiovalley.org).
