

CHAPTER LEADERSHIP BENEFITS

Our ICF Ohio Valley chapter is stronger because of our volunteer leadership who contribute their skills and strengths for the benefit of all members. You can play a part in our continued direction and sustainability by engaging with us either in a yearlong responsibility on the board, or in a short-term project or event.

Participating in one of these teams increases your networking opportunities, professional exposure and allows more connection to other coaches in your community. Contact us here to learn more and volunteer!

Board Member	Ad Hoc Leadership Opportunities
